Brown the onions in the fat. Cool for 15 minutes. Beat the eggs very well and stir in the noodles, browned onions and fat. If you have any grebenes, add them. Turn into a greased oblong or square pan.

Bake in a 375 degree oven for 40 minutes or until brown. Cut into squares. Serves 6 to 8.

Keep eggs as fresh as possible by storing them in the refrigerator in their original carton as soon as you get home. The carton protects the eggs from absorbing flavors and odors of other foods nearby, especially from strong-smelling foods like onions, cheese or cabbage.
