Heat the oil in a casserole or deep skillet; brown the duck in it. Add the onions and mushrooms; cook 5 minutes. Pour off the the fat and stir in the marinade. Cover and cook over low heat 1 ½ hours or until the duck is tender. The sauce may be thickened with a little cornstarch if desired.

Prick the skin of duck all over with a sharp fork or point of a knife so the fat just under the skin drains while cooking. Always cook duck on a rack so it doesn't fry in it's own drippings.
