

Is there anything better than a Monster cookie? M&M, walnuts, chocolate chips, peanut butter and oatmeal all in ONE cookie. These are the chewiest cookie ever! They are the best tasting cookie.

Monster Cookies

This monster sized recipe can be cut in half or even fourths to accommodate a smaller event or family. No matter how many you choose to make, the cookie monsters in your life will love them!

- 1 lb shortening
- 2 lbs brown sugar
- 2 lbs white sugar
- 1 dozen eggs
- 1/4 cup vanilla
- 3 lbs peanut butter
- 1 lb chocolate chips
- 1 lb chopped walnuts
- 8 tsp. soda
- 1 lb plain M&M candies
- 18 cups oatmeal

In a giant size mixing bowl, cream together the sugars and shortening. Add the eggs and vanilla stirring well. Mix in

the rest of the ingredients until thoroughly blended together. Drop by spoonful onto cookie sheet for regular size cookies or by ice cream scoopful for true monster cookies. Bake at 350° for 12 minutes or until golden brown. Recipe makes 20 dozen regular sized gourmet cookies. NOTE – this dough freezes well so bake as many as you need when you make the dough and then divide the rest of the dough into smaller batches to freeze in plastic wrap and tin foil (or a freezer Ziploc bag). Then just take out the dough, thaw it, and bake as directed.

Gourmet Cookie Bouquets.com

Bake cookies the minimum amount of time, even though the center may look slightly under baked. Let cookies stand on baking sheet for one to three minutes to continue to bake, then remove to cooling rack.

[Gourmet Cookie Bouquets](#) offers design cookies, cookie arrangements, cookie tins and bouquet delivery for birthday, get well, thank you and corporate gift occasions.
