

This is lovely with a nice ham dinner. Don't use fresh pineapple or fresh ginger - the enzymes will prevent the gelatin from setting.

### Ginger Pineapple Mold

- 1 can (20 oz.) pineapple slices in juice
- 2 packages (4 serving size) or 1 package (8 serving size) lime or apricot flavour gelatin
- 1 ½ cups boiling water
- 1 cup ginger ale or cold water
- 1/4 tsp. ginger

Drain the pineapple, reserving the juice. Cut 4 pineapple slices in half; set aside. Cut the remaining pineapple slices into chunks. Dissolve gelatin in the boiling water. Add the reserved juice, ginger ale, and

ginger. Chill until slightly thickened. Measure 1 cup of the gelatin. Arrange some of the pineapple chunks in a 6 cup ring mold; top with measured gelatin. Chill until set but not firm, about 10 minutes.

To add fruits and vegetables, chill the gelatin until very thick. not set, before adding the other ingredients. If the gelatin isn't thick enough, the fruits or vegetables may float or sink. To mold Jell-O Gelatin, pour the gelatin into molds or serving dishes -- a 3-oz. package without fruits or vegetables makes 2 cups. a 6-oz. package makes 4 cups. Chill until firm -- several hours or overnight, depending on size of mold.

## Baseball Cookie Gift Bouquet

A perfect gift for any baseball fan. From the pinstriped shirts to the mini diamond and the "stitches" on the baseball cookie, they'll feel like they've been taken out to the ballpark. Makes a fun way to celebrate Spring training, the World Series, or their birthday any time of year. We can even customize it with your team's colors for an additional fee (please allow an extra day for custom orders)

**Price: \$ 29.00 - \$ 80.00**
