

One of Puerto Rico's signature dishes. It can be main, side dish or just an appetizer. The Cod is finely chopped, therefore, the flavor is not so strong.

## Bunuelitos De Bacalao - Cod Fritters

- 1 well packed cup of desalted cod
- 2 medium cloves garlic, peeled
- 2 tbs. chopped parsley
- 1 recipe Fritter batter
- ½ cup olive oil for frying
- Salt to taste

Shred cod with fingers. Chop well with garlic and parsley. Add to batter, stir, and salt to taste. (This much may be done a day in advance.)

Heat enough olive oil in a large frying pan to cover the bottom to a depth of ¼ inch (about 1 cup). When oil begins to smoke, drop in cod mixture off teaspoon and fry until well browned, turning once. Total frying time will be 10 to 15 minutes. Drain on brown paper before serving.

Note: The finer you shred and chop the cod, the smoother the fritters will be. However, some prefer fritters with coarse flakes of cod. It is entirely a matter of taste.

## Gourmet Cookie Bouquets.com

When storing cod Remove packaging, rinse fish under cold water, and pat dry. Refrigerated covered with crushed ice and cling wrap for up to two days.
